## MEET TILLY

Danish gal, travel content creator, self-taught photographer and graphic designer. Forever with a camera in my hand, I want to inspire people to explore new places, capture all the beautiful moments life has to offer and hopefully send them off with some solid travel tips.

## EXPERIENCE

I have many years of experience with photography and an education in graphic communication, which I believe shows in the content I create. I pride myself on delivering aesthetic quality photos & videos and valuable captions & blog posts about travel, photography and life in general.

## WHY YOU SHOULD COLLAB WITH A MICRO INFLUENCER

True, I do not have 50k followers, but my account is passionate and personal. I try to keep my social platforms as authentic as possible, so when I once in a while promote something my followers know I mean it. I spend many hours engaging with my community, so if you'll like to have your target audience be inspired and learn more about your product/services – rather than just scrolling right through it – I'm your girl.
